Testimonials

PYTHON handles asset protection and succession planning matters, as well as tax, investment and general estate matters in the private client space. The team, which advises many Chinese clients, includes Thomas Steinmann, one of the key contacts.

The four-partner practice at PYTHON handles corporate advice, reorganisation and transaction matters for domestic and international clients. Thomas Steinmann is one of the key contacts.

Legal 500 EMEA 2019

The Zug-based Thomas Steinmann is a 'very good negotiator' who 'gets deals done'.

Legal 500 EMEA 2018

In 2017, PYTHON handled an increasing number of inheritance disputes, while also providing advice on asset protection, tax, estate planning, domiciliation and family office matters. Jean-Christophe Hocke and Thomas Steinmann head the team.
